Overview of Raghav

I am a Tech Guy Tons of Tech .. Bit of fun.. Loads of insane creativity.. more of my style.. all mixed together ... Well that's what you get to connect with Anbu Raghavan

Anbu Raghavan takes his background in engineering, statistics, and computer science to create a rare combination of analytical expertise coupled with creativity and he gets the best out of both worlds. It's not just about using technology to push the limits, it is about providing unique service for business success.
There is a lot when comes into which ways content needs to go in order for it to be profitable and successful.
